

HOW CAN YOU HELP?

WE NEED YOUR HELP TO PROVIDE THE OPPORTUNITY FOR OUR COMMUNITY TO PLAY HOCKEY

EQUIPMENT

No child should be unable to play because they don't have a stick or helmet. Donate and we can put your logo on them.

Other items that help are goalie equipment, balls, gloves, & shinpads.

MARKETING

FLYERS OR BANNERS

Help us print flyers or banners and we will add your logo or post them in your space or in front of your location.

ADVERTISEMENT

Help us develop or pay for advertisements in print, digital, or social media.

FOOD

DONATE FOOD/DRINK

Help provide food, drinks or snacks for camps or for sale at our concessions.

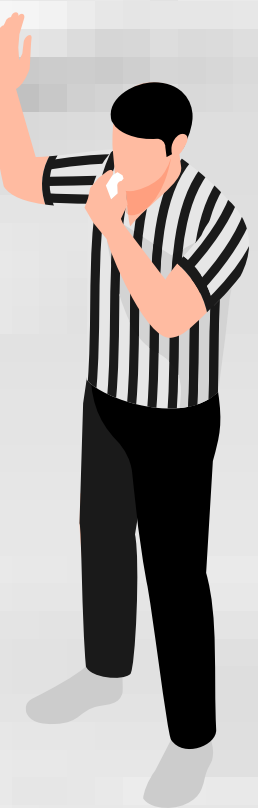

WORK CONCESSIONS

Help run concessions during games and tournaments.

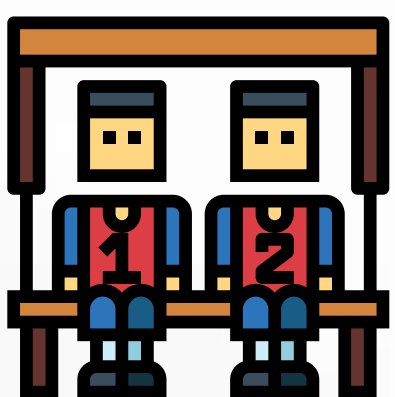

VOLUNTEER

We need people to officiate and coach who will pass a background check and a certification class. Other options include running the scoreboard, recording games, taking pictures, helping run a camp or clinic, and promoting the league.

FIXTURES

We'd love to have a scoreboard with your name on it, or player benches with your logo engraved. Other items such as a concession stand or sound system would be very beneficial.

MONEY

There are a lot of expenses that go into providing a safe opportunity to play hockey including insurance and regulatory costs. We would welcome your assistance in covering those costs to the extent you are able to help.
